

RESPONSE TEN SING

GJØVIK - NORWEGEN

Die Region Gjøvik liegt in einer abwechslungsreichen Landschaft am Westufer des Mjøsa-Sees und man benötigt nicht mehr als 1,5 bis 2 Stunden mit Pkw, Bus oder Zug von Oslo oder dem Oslo-Flughafen Gardermoen.

Response Ten Sing is one of the oldest tensing groups in Norway. Since the early beginning in 1968 until today, a lot of young people has participated in our work. Today's group has about 50 members between age 14 – 19.

We practice every week at Ynglingen, the YMCA house in Gjøvik.

Our main concert each year is held at the 17.th of may. (Our constitution day).

At this concert all the members contribute with something. Either singing, dancing etc.
